Available from the Club's Office, it contains the year's program of competitions and events, Code of Conduct, etiquette and club rules.

## **Obtaining a Handicap**

If you don't have a current handicap that you are bringing from another club then you will need a member of a golf club to mark and sign five cards to be submitted to obtain a handicap. If you are not in the hole after having 3 over par on the hole you are asked to pick your ball up and mark down a triple bogey. This is to avoid slow play when there may be other members on the course playing in competition.

Your golf link card will be sent to your home address by Golflink approximately 6 – 8 weeks after joining the club. However, your number will be available when you join.
